There is information about the functioning of your Association, listings of various LISRA committees, a roster of your Board Members and other important Association information.

You are encouraged to read this booklet thoroughly, offer suggestions for its improvement and, if there is something you don’t understand, please email us at Support@lisoccerrefs.org for clarification.

ASSIGNMENT, GAME COVERAGE AND AVAILABILITY

Each referee must make his availability known to the assignor through the Arbitersports.com system prior to the start of each season. Should a referee turn back an assignment, he/she will be subject to a fine for each game turned back (see “Turn Backs”). If you anticipate a change in your availability, update Arbitersports.com no later than close of business on the Friday two weeks prior to the date in question. If you are uncertain of your availability, rather than face the possibility of a fine, place yourself on an on-call status and change your availability in Arbitersports.com.

CALLING COACHES

You must call EACH home team coach to verify your field location, game time, and travel directions to the field. It is to your advantage to leave your name and phone number with the home team coach so that you can be contacted directly in the event of any last minute change in plans. You must also call the other referees assigned to your game to give them the location, time, and directions. Use Arbitersports.com to get phone/email information.

BAD WEATHER

It is your responsibility to go to the field and assess the playing conditions in person if you have not heard from the home team coach two or more hours prior to the game’s scheduled starting time. UNDER NO CIRCUMSTANCE MAY YOU CANCEL A GAME OVER THE TELEPHONE. Be careful! If there is more than one game scheduled on a field, only one game can be canceled but the following games may not have been canceled. Check with each coach just to be sure that all games on your field have been canceled.

A REAL EMERGENCY...IF YOU CAN NOT COVER YOUR GAMES

If you can not cover your assigned game(s) due to a last minute emergency, you must contact the Emergency number (917) 464-3859.

If, for whatever reason, your game(s) go uncovered, you will receive a fine notice from the Fine Committee (see “Turn backs”). You can always email the support@lisoccerrefs.com or call the office Monday through Friday during normal business hours.

TURN BACKS

You must do your utmost to cover your games. The amount of work required to cover your turn-backs is excessive. PLEASE...DO NOT TURN BACK YOUR GAMES ONCE THEY’VE BEEN ASSIGNED TO YOU!! Remember, you WILL be fined $15.00 for each turned back or no-show game. As with any fine assessed to you, you may always appeal to the Grievance Committee by including a letter along with your fine and send it in no less that 10 days after you have been notified of the fine. If your appeal is accepted, your check will be returned.

FIELD CONDITIONS AND MARKINGS

The home club is responsible for the condition of the fields, the proper marking of the fields and the installation of corner flags, goals and goal nets, as described the FIFA Laws of the Game or match rules of the competition. When a game is scheduled on a neutral field, the host club shall be responsible for providing adequate playing facilities. If you, as the referee, decide that the field is unplayable for one reason or another, fill out a Supplementary Report and submit. It will be the decision of the given league as to what happens to the un-played game.

YOU MUST MAKE SURE THE GOALS ARE SECURELY FASTENED

SUBSTITUTIONS

All substitutions are made following the FIFA Laws of the Game or the local rules of competition rules.

NUMBER OF PLAYERS

The number of players is following the FIFA Laws of the Game or the local rules of competition.

If you abandon or terminate a game due to a team failing to have the minimum players required, you must still complete a regular game report and include the reasons for the abandonment/termination in the Supplementary Report.
**Number of Players (con’t)**

In the event a team does have the minimum number players present, the game **MUST** begin. Teams **CANNOT** delay the start of a match to wait for the remainder of their players to arrive. Late arriving player may enter the game once their equipment is checked and pass information verified against the roster.

**PLAYER’S UNIFORM AND EQUIPMENT**

Teams must be in proper uniform attire at all games as stipulated in Law 4 of the *Laws of the Game*. Players who are not properly attired will be ordered off the field by the referee and not permitted to return until they have corrected their equipment. Consult the local rules of competition for any additional requirements.

**GAME REPORTS**

USSF official game reports are available on-line at the LISRA website (lisoccerrefs.org) and also at the USSF website (ussoccer.com). These official reports are the only game reports you may use unless otherwise stipulated by the competition authority of that match. You must submit these reports as required **within 48 hours after the game**. Supplementary Report forms are also available on the LISRA and USSF websites.

**PROCEDURE FOR PREPARING/SUBMITTING GAME REPORTS**

Make sure you keep a copy for your records no matter how you are required to submit them (mail, fax, or on-line). If required, include any other required forms (e.g: Sportsmanship). **DO NOT STAPLE** anything to the Game Report! All reports are to be submitted **within 48 hours of the game(s)**.

Please examine the properly filled out Referee Reports beginning on page 27 of this manual. Make sure that you include all required information on your game reports. You may not get paid if you do not complete and send in your reports properly!

**SEND OFFS AND/OR CAUTIONS**

If you have issued any send offs or cautions during the game, you **MUST** fill out a Supplementary Report in addition to your Game Report. The Supplementary report should give all details of the incident in question and always include the player's/coach's name, pass number, team, jersey number, and what the reason was in detail.

In the event you have issued a send off, paperclip the player(s) or coach(s) pass to the Supplementary Report if required to do so by the competition rules.

Make sure that reports are sent in **IMMEDIATELY** so the incident can be promptly dealt with by the League’s arbitration committee at the hearing the Wednesday following the game.

**STATE CUP REPORTING**

If you are assigned to officiate in any State Cup match, follow the same procedures as above but mail the reports to:

**ENYYS**
265 Sunrise Hwy. - Suite 38, Rockville Centre, NY 11570

Mail the Game Report to the State office and keep a copy for your records. If you have issued any cards or have injuries to report, mail the Supplementary to the State Office. In the event of a send off during the game, you **DO NOT** keep the pass but simply send a report to the State office.

REFEREE LATE ARRIVAL

If you are late getting to your assigned game and the game is already in progress, you **MAY NOT** take over the game. You **MAY NOT** replace the referee who is doing the game. If you have refereed a game on a given field and the referee for the following game has not yet arrived, you **MAY** officiate that game under the following conditions:

1. Determine if the assigned referee has called the home coach. He/she may have notified the coach that he would be arriving late. In such cases, you **MAY NOT** do the game.
2. If the coach has not heard from the assigned referee or been informed of a possible late arrival, you may referee the game after waiting **15 minutes** from the scheduled starting time.

1. Complete, copy and submit referee game reports, including a Supplementary Report, if required
2. Complete sportsmanship ratings, if applicable
3. Complete Assistant Referee ratings, if applicable

ARBITRATION BOARD

The Arbitration Board, when it deems necessary, may hold a hearing to review incidents that have occurred involving a referee. The referee will be required to attend this hearing. The Arbitration Board, at its discretion, may forward its findings regarding any referee to the ENY Referee Arbitration Committee for disciplinary action.

Game Reports Will Be Reviewed by the Appropriate Arbitration Board

The league or state Arbitration Board shall review the Game Report and the Supplementary Report. The Arbitration Board, upon determination of a breach of any Bylaws, Rules, Regulations, Guidelines, Procedures, or FIFA Laws of the Game shall determine the punishment, fine and/or assessment of players and adult supervisors.

METHODS OF PAYMENTS

1. Each league has their own payment procedure. Some pay on the field while others may pay at the end of the season.
2. State Cup fees are collected at the site prior to the game.
3. LI Cup fees will be paid by the league at the end of the season
4. Tournaments pay you at the conclusion of your tournament assignments. You may be required to fill out a special form. In that case, you’ll be so notified when you sign in.

Referee Assault Procedure

   - Cathy Caldwell, LISRA President ... (631) 466-8611

Submit your Game and Supplementary Reports immediately (within 48 hours of the incident) to all the above. Your report should be complete and factually accurate. If you are required to attend a hearing, a LISRA Board Member will go with you.
**State Cup Games**

Eastern New York has its own procedures for Youth Soccer State Cup competition. The Referee is to collect half the game fee from the home coach and half the fee from the away coach prior to the start of the game. It can be difficult to collect your fee after the game is over!

If you are assigned to a State Cup game, **YOU MUST GO TO THE FIELD**, regardless of the weather conditions on the day of the game. You must appear at the game site and make the decision as to whether or not the game can be played.

For State Cup Games, only the referee official USSF uniform (gold, red, black, blue, or green jersey) may be worn. Be certain that you have all uniform shirts with you for all games if there is a conflict with either of the teams.

State Cup games generally follow the same rules and procedures as your other games with one major exception, but there are some differences so please make sure you review the rules prior to your game. But there is one major difference: **THERE MUST BE A WINNER**. Therefore, if you are assigned any of these games, make sure that you are familiar with the length of the overtime periods and procedures for *Taking of Kicks from the Penalty Mark* to determine a winner. These procedures are detailed for you in both the State Cup manual and FIFA’s *Laws of the Game*.

You must check the passes and lineup sheets of each team prior to the start of the match. If for some reason a team does not have a lineup you **WILL** play the game and file a supplementary report. State Cup rosters are pre-printed and marked “Approved”. No write in information is allowed! Allow the game to be played and include a supplementary report.

A special state committee will select referees and assistant referees for the State Cup finals.
Member in Good Standing

On June 5, 2005 the membership of LISRA approved the following criteria to characterize a member in good standing and resolved that:

A LISRA member can not participate in any activity with or receive any service provided by the Long Island Soccer Referees Association if the member is not in good standing. These activities include, but are not limited to, meetings, access to the LISRA website, monthly mailings, voting rights, holding office, or attendance to any social functions limited to LISRA members.

LISRA Member In Good Standing

To be considered in Good Standing, a LISRA member:

1. Must attend at least 3 of the 5 monthly clinic meetings (November, January, February, April, and May) unless excused for reasonable cause. Requests to be excused must be submitted in writing to the board 5 days in advance of any meeting. The Mandatory Rules Interpretation meetings, October Recertification meeting, December Holiday meeting, and June Election meeting, do not count as clinic meetings.

2. Must attend both Referee Rules Interpretation meetings which take place at the September and March general meetings, unless excused for reasonable cause. Requests to be excused must be submitted in writing to the board 5 days in advance of any meeting.

3. Must uphold the Referee Code of Ethics of the United States Soccer Federation, as outlined in the most recent Referee's Administrative Handbook as published by the USSF.

4. Must have paid the annual dues by January 31st. (Exceptions are to be judged by the Executive Board on a case-by-case basis).

5. Must pay all fines levied by the Arbitration Committee prior to the June meeting. A member is not in good standing if fines are not paid or appeals filed within 10 days of having been notified by LISRA. IF denied, you must pay the fine immediately.

6. Must not have been convicted of a felony after having join LISRA. A LISRA member is not in good standing upon conviction.

5. That I will always strive to achieve maximum teamwork with my fellow referees and assistant referees.

6. That I shall be loyal to my fellow referees and assistant referees and never knowingly promote criticism of them.

7. That I shall be in good physical condition so as to be in the right place at the right time.

8. That I will control the players effectively by being courteous and considerate without sacrificing firmness.

9. That I shall do my utmost to assist my fellow officials to better themselves and their work.

10. That I shall not make statements about any game except to clarify an interpretation of the laws of the game.

11. That I consider it a privilege to be a part of the USSF and I will strive to make my actions reflect credit upon the organization and its affiliates.
The Big Brother Program

LISRA has a unique Big Brother program to help and assist our newest referees. Graduates of the Entry Level Course who join LISRA will be assigned an experienced referee from among the membership.

The new referee will be contacted by his/her Big Brother/Sister before they officiate their first game. The Big Brother/Sister will try to answer any questions the new referee has before they take the field for the first time. Thereafter, the Little Brother/Sister may call his/her Big Brother/Sister after each weekend’s games to discuss any problems they encountered doing their games or answer questions so that the problems can be eliminated and not repeated during subsequent games.

The new referee should look upon his Big Brother/Sister as a mentor whose only responsibility is to make the new member a better, more confident official. Where possible, the Big Brother/Sister will try to observe the new referee on the field and to offer constructive criticism to improve the new referee’s performance.

Rap Sessions

New or inexperienced referees will have the opportunity to attend a rap session with many of our experienced referees and/or instructors. The object is to have discussions regarding events or situations that the official may have encountered on the field. The idea is to prevent repetition of errors and to improve knowledge of the Laws, handling of specific match situations and to improve the level of our officiating. Notification will be sent to the membership when rap sessions are scheduled.

Annual Dues

Annual LISRA membership dues are payable beginning in October. These are separate from the USSF Registration fee. If the dues are delinquent (after January 31), a $10 late fee will be imposed and access to websites denied until paid. Annual dues are set per our By-Laws. For 2015, they are $140.

LISRA Scholarship

Every year, LISRA offers scholarships to LISRA Members-In-Good-Standing or the children of members who are in good standing. Scholarship applications are encouraged. Please contact the LISRA office and ask for an application or download from the LISRA website.
Referee Number

Every LISRA Referee has a referee number assigned to him/her. This number is used for identification as well as payment purposes. When required, you must include your number on the coach’s copy if the roster (given to each coach at the game) and when you fill out your Official Game Report or Assistant Referee payment form.

Tournament Sign-Up

All tournament sign-ups will be separate from your regular Availability Form. There will always be sign-up sheets at the General meeting preceding any tournaments. Often, sign up sheets for a specific group of tournaments (ex: tournaments held over the summer), are mailed home to you. Your Availability Forms for the Spring and Fall seasons have nothing to do with tournament availability; you must sign-up for tournaments separately.

LISRA Office

The LISRA office is located at:

701-9 KOEHLER AVENUE
RONKONKOMA, NY 11779

The office is open from 9:00am to 3:00pm. You may always drop off your weekly game reports in person. When you do visit, please respect the fact that there is an enormous volume of work being conducted in the office all year long. PLEASE keep your visits short.

If you have problems with assignments, game coverage, etc., please e-mail Nanci at the office. Please avoid phoning the office. If possible use e-mail. The answering service is, however, in operation 24 hours a day. If you get the answering service, leave a detailed message. Please understand it is sometimes impossible for Nanci to stop what she is doing and answer the phone.

Your cooperation in the above is most appreciated!

Monthly Meetings

General meetings for all members are usually held on the second Thursday of each month except for July and August. At present, meetings are held at James Allen School on Route #231. Each meeting features a business portion with reports from all committees and Executive Board members and a clinic on a topic of interest to all referees.

Attendance is mandatory at the September and March meetings, as new laws/rules and interpretations of existing laws/rules are discussed in preparation for the beginning of the Fall and Spring Seasons. Please see the Member-in-Good-Standing (pg. 17) to familiarize yourself with the requirements for meeting attendance during the year.

A NOTE ON MEETING ETIQUETTE: Please show proper respect and common courtesy to our speakers, guests and your fellow referees during our general meetings. Private conversations while someone is addressing the group are distracting to your fellow referees, discourteous to the speaker and may cause you to miss a vital piece of information.

Directions to Monthly Meetings:

As previously mentioned we hold monthly meetings (except in July & August) at the James Allen Elementary School in Dix Hills. The directions are as follows:

LIE to Exit 51 (Deer Park Ave)
Travel South 1 (One) Mile
The School Complex is on the EAST Side of Deer Park Ave
(Immediately South of the Large Church Building on your Left)
Meetings are held in the Gym
Evaluation and Assessment Program

LISRA has an active program designed to evaluate the progress of new referees and provide assessments for those referees seeking to upgrade or, for certain grades, to maintain their current grade. The Director of Assessment assisted by his staff of trained assessors administers the program.

From time to time, as manpower allows, all new referees will be evaluated as they work a game on the field. The evaluator will discuss the referee's performance with him after the game and offer suggestions for improvement. The evaluator's judgment as to the referee's proficiency becomes part of the recommendation process to move newer referees to games in older age groups. Any referee who feels he is ready to move up should contact the office and ask that an evaluator come watch him officiate a game.

Referees wishing to upgrade should first check with the USSF Referee Administrative Guidelines to make sure they meet all the requirements. Then download the Assessment Request form found on lisoccerrefs.org and submit to the office, attention Klaus Mueller.

The assessor/evaluator and this program have only one aim in mind; to improve the quality of refereeing for all members. Please take their comments and suggestions and use them to improve your own techniques, mechanics and knowledge of the game. They are there to help you; use them to your advantage.

Annual Testing

Once per year, every USSF Referee, no matter the grade level, is required to take a written test. A Physical Fitness test is required for all Grade 6 Referees or higher. These tests are necessary to maintain your grade and certification and are MANDATORY! Failure to take these tests will result in a referee being downgraded by the USSF!

Dates will be announced far enough in advance as well as being posted on the LISRA web site and the ENY Referee website for you to be able to make yourself available.

RISK MANAGEMENT

In order to officiate any ENY sanctioned game, a referee must undergo the ENY Risk Management process every two years. This is a background check to ensure that no official has any previous incidents that would adversely affect the game they cover and the players that they are obliged under the Laws of the Game to protect. Each referee must go to the ENY website (enysoccer.com) and follow the “Risk Management” link to be processed. NO EXCEPTIONS! Failure to complete means you may not be assigned any games in ENY and may even mean you will not be allowed to do games outside of ENY!

LISRA Web Site

The LISRA web site, lisoccerrefs.org, contains a wealth of information to help it’s members. It contains meeting and upcoming course dates, referee information, useful forms, discussion forums, and other documents that every referee needs. Here is a list of just a few:
